Umm .. According to me content is awesome . It Answers everything that a noob wants to know about astrology but it is a little less appealing in terms of visibility of content. Also maybe you can try posting more pictures ..I mean spreading knowledge through visualization. Also you should increase user interaction by putting interaction based stories.

First of all Thanks Ritika for doing my readings whenever I need it ❤️❤️ It resonates with me very easily. Your intuitions are pure and they always come true. I love you and I will be by your side in this and everything, now and forever God bless you and lots of love to you ❤️
